Good backup pending final verification.

AI Recommendation

Proceed with document verification, references, and landlord review.

Document Review Summary

Income Documents	Available
ID Documents	Name match requires final manual review.
Bank Statements	Bank statements require manual review for stable deposits.
Credit / Background	Excellent
References	To confirm
Missing Documents	To confirm

Supporting Document List

- No matching supporting document files were found. Manual verification required.

Extracted Document Summary

- No readable matching supporting documents were found.

Income proof review

- Displayed declared income: \$8,600 monthly employment income
- Conservative verified/scoring income: \$10,800
- Rent-to-income ratio: 3.9x
- Verification Status: Medium-high
- Initial screening uses conservative monthly income; final review requires supporting documents.

Employment verification notes

- Employment status: Full-time
- Employer / income source: Local employer
- No verifiable details extracted. Manual verification required.

Identity Consistency

- Name match requires final manual review.

Bank Statement Review

- Bank statements require manual review for stable deposits.

Credit/background check notes

- Credit history stated: Excellent
- Credit information should be verified using the standard process.

Landlord reference notes

- To confirm
- Reference information requires phone or written verification.

Potential Inconsistencies

- Record any mismatch as a verification item, not as a final decision reason.

Missing Items

- Missing or incomplete fields: email, phone, current address.
- Credit history statement should be verified with current documents.

Strengths

- Move-in timing and lease term are stated.
- Employment and income information are stated.
- Deposit availability is stated as ready.
- Supporting documents are uploaded or linked for review.
- Landlord reference information is provided.
- Stated household income is approximately 3.9x monthly rent.

Concerns

- Parking needs should be checked against available parking.

Final screening recommendation

- Good backup pending final verification.
- Proceed with document verification, references, and landlord review.
