Documents uploaded

Strengths

- Direct contact details provided.
- Move-in timing and lease term are stated.
- Employment and income information are stated.
- Deposit availability is stated as ready.
- Supporting documents are uploaded or linked for review.
- Landlord reference information is provided.
- Current residence appears local or nearby, which supports practical reference checks.
- Current rent is close to the target rent, which supports affordability review.
- Stated household income is approximately 3.9x monthly rent.

Concerns

- Parking needs should be checked against available parking.

Recommendations

- Proceed with document verification, references, and landlord review.
- Credit history statement should be verified with current documents.

Final assessment: Strong candidate pending final verification

Strengths

- Direct contact details provided.
- Move-in timing and lease term are stated.
- Employment and income information are stated.
- Current residence appears local or nearby, which supports practical reference checks.

Concerns

- No major neutral suitability notes from the submitted fields.

Recommendations

- Request missing information and documents before moving further.
- Missing or incomplete fields: tenant insurance status, deposit availability.
- Stated household income is approximately 1.5x monthly rent; request income proof and review affordability.
- Supporting documents are not yet confirmed.
- Landlord reference still needs to be collected or confirmed.
- Income proof should be requested before final approval.
- Credit history statement should be verified with current documents.
- Applicant disclosed a tenancy history item; request neutral context and supporting explanation.

Final assessment: Lower priority unless missing information improves the file

SUPPORTING DOCUMENT STATUS

Partial documents

Strengths

- Direct contact details provided.
- Move-in timing and lease term are stated.
- Employment and income information are stated.
- Deposit availability is stated as ready.
- Current residence appears local or nearby, which supports practical reference checks.

Concerns

- Pets disclosed; review tenancy suitability, pet deposit, property care expectations, and house rules.
- Parking needs should be checked against available parking.

Recommendations

- Request missing information and documents before moving further.
- Monthly income is stated but cannot be parsed as a number.
- Business gross / revenue is stated; initial scoring does not count it as personal monthly income until verified.
- Supporting documents are not yet confirmed.
- Reference or residence history suggests owner-occupied/self reference; verify residence and payment history using other neutral documents.
- Income proof should be requested before final approval.
- Credit history statement should be verified with current documents.
- Credit is stated as Fair; do not treat as a strong candidate unless supporting documents verify a stronger position.

Final assessment: Lower priority unless missing information improves the file
