RENT-TO-INCOME RATIO

DOCUMENTS

Request missing information and documents before moving further.

Displayed declared income	Business gross revenue \$12,000 monthly, personal income to verify
Conservative verified/scoring income	-
Rent-to-income ratio	-
Income verification note	Business gross / revenue \$12,000 is not counted as scoring income until disposable monthly income is verified. Income is stated but cannot be conservatively parsed as monthly income.

- Request missing information and documents before moving further.
- Monthly financial is stated but cannot be parsed as a number.
- Business gross / revenue is stated; initial scoring does not count it as personal monthly income until verified.
- Supporting documents are not yet confirmed.
- Reference or residence history suggests owner-occupied/self reference; verify residence and payment history using other neutral documents.
- Income proof should be requested before final approval.
- Credit history statement should be verified with current documents.
- Credit is stated as Fair; do not treat as a strong candidate unless supporting documents verify a stronger position.

Recommendation	Lower priority due to weaker verifiable information
